# our vision & mission

**We are modern  
place makers.**

The Redstone team are modern place makers, who believe that work is greater than an office, and positive places empower all of us. We support communities and spaces that inspire interaction and pride, developing empathy as energy.

## VISION

We strive to advance the potential of place, helping to shape the communities we serve through partnerships and progress.

## QUICK INFO WHILE YOU GET SETTLED

---

**Move-In Inventory and Condition Report:** This will be sent via DocuSign. Please complete an inspection of the apartment and return this form within 48 hours of your move, noting any wear and tear.

For any current or future maintenance needs, you will need to submit a maintenance request. Please see the next page for more details.

**Guest Parking:** We do not have any guest parking. Those without a tag will need to park on the street.

**Moving Trucks:** If you have a moving pod or truck, you will either need to utilize your parking space or find street parking. Please note that it is important to not block anyone in, block the entrance, or prop any doors open unattended.

**Laundry Room:** The laundry room is located in the back of the tan building where the daycare is located. Please do not leave personal belongings or trash behind. Items will be discarded. The laundry is coin-op and there are no change machines on-site.

The code to access the laundry room : 843340

# RENTCafe App

Access your tenant portal easily through the RENTCafe Resident app

The app offers simplified rent payments and makes submitting a maintenance request easier. You can even upload a picture or voice message with your request.

# After Hours

## Maintenance Emergency

The following information is to provide guidance on the use of our Emergency Maintenance On-Call service. We hope you never have to use this service, but we know there are times when its use will be necessary to inform us of a maintenance emergency that requires a quick response.

### Examples of Emergency Maintenance

- No heat during the winter
- A burst pipe or another form of an active leak such as overflowing plumbing fixtures
- A toilet that won't function, only if there is not another toilet in the apartment
- Damage to the property that renders it unsafe – for example, an exterior or apartment door that won't properly close or lock
- Malfunctioning smoke detector (a real alarm or fire conditions to be reported to 911)
- No hot water
- You are locked out and have no other way to access the building or your apartment – please note that a lock out response incurs a fee and requires our team to properly identify you as a resident under the lease. ID is required.

Please note that Redstone's Emergency Maintenance service does not take the place of the police, fire, or other first responders. For medical emergencies, life-threatening situations, reporting of a crime, or other situations for which police, fire, or EMS are needed, please call 911.

Redstone staff are not trained first responders and are not able to respond to this type of emergency. For loss of utility service, including loss of power, telecom service, or smell of gas please work directly with local utility provider.

We are not able to address issues that are not a maintenance emergency after hours, which include: Smoking, Parking, Neighbors, and AC. Please email your concerns to [residents@redstonevt.com](mailto:residents@redstonevt.com), and we will respond within two business days.

# Winter Reminders

## 1 Parking

- You may be asked to move your vehicle from the parking lot for snow removal. An email will be sent 24 hours in advance of this. Alternative parking accommodations will be recommended where available.
- Vehicles not moved may be ticketed or towed at your expense so please be sure to check your email during inclement weather.

**Visit your city/town's website to learn more about parking bans and notification procedures.**

## 2 Heat

- To prevent frozen pipes please set your heat to a minimum of 65 degrees even when you are not home and especially when the temperatures dip below freezing
- Close and lock all windows.
- Do NOT leave sink or shower taps running

**In the event there is a concern with your heat or plumbing not working, (frozen pipes, lack of water, or leaking) please call the emergency maintenance service at 802-350-6210.**

## 3 Snow Removal

- Snow removal vendors need to work during the early morning or late evening to keep up with the snow at several of our residential and commercial properties. You can expect noise and even delays depending on how heavy the snow is.
- Redstone will provide salt buckets by building entrances.
- Redstone does not provide shovels or snowbrushes.
- Do NOT leave your personal snow removal equipment in common areas. These may be removed if left.
- Redstone does not shovel between parking spaces. Snow removal vendors cannot remove snow from surface lot parking spaces unless 3 or more adjacent spaces are open.

**Please Note: The plow will not come until there is more than 2" of snow accumulated.**

# Mail & Packages

There are multiple mailboxes that are located in the parking lots

If a package goes missing, you will need to work directly with the company/carrier/police.

Redstone does not provide you with a mailbox key. You will need to go to the Colchester Post Office to get your mail key & box assignment

**Please do not send items to the property prior to your move-in date. If that happens they will be returned to the sender.**

# Parking

Each apartment includes one parking space. Any additional spaces are available on a first-come-first-served basis at an additional cost, located at Barnes Ave. To check availability, register, or join the waitlist you will need to contact [residents@redstonevt.com](mailto:residents@redstonevt.com)

Please note that the hang tag must be displayed while parked in the lot.

There is no guest parking.

Parking is subject to availability

For questions regarding parking please contact:  
[residents@redstonevt.com](mailto:residents@redstonevt.com)

# Storage

## Storage

Storage cages are available for rent and vary in size.

We encourage you to place things in containers that prevent moisture. You must provide your own lock.

If you did not request storage prior to move-in, then you will not be issued storage at move-in. If you wish to reserve storage you will need to contact [residents@redstonevt.com](mailto:residents@redstonevt.com)

# Trash, Recycling, Compost

Trash

There are several trash enclosures located along the perimeter of the property.

You are not permitted to leave large items and furniture outside the bins.

Recycling is located next to the trash.

Most packaging, containers, and paper are recyclable. However, the following things are not: paper plates, cups, napkins, styrofoam, household items, toys, or filmy plastics (including plastic bags.)

Recycling

Compost

Compost is located in the trash enclosure and is the green bin. Effective July 1, 2020, the State of Vermont banned all food scraps from being included with waste that goes to a landfill. Residents will now be responsible for keeping their personal food waste separate from their trash and disposing of it in the provided exterior compost bins.
