

# Delivery Pass

Never worry about missing a delivery again.

Delivery pass allows you to easily create a single-use, six-digit code to send to carriers so they can enter your building.

### THREE EASY STEPS:

Open the ButterflyMX app

Click '+ Delivery Pass'

Copy and paste the automatically generated code into the e-commerce provider's "delivery instructions" box at check-out

## NEVER MISS ANOTHER DELIVERY

With delivery pass, carriers will never have to leave a package outside your building again. And, you won't have to rearrange your schedule to be home for deliveries.

## SECURE

The intercom takes a time- and date-stamped photo every time a delivery pass is used to gain access to the building. You can view this photo at any time in your mobile app.

## SIMPLE

Delivery pass is easy and quick to set up. If you have any questions, contact your property manager for assistance.
