Luxer One

We have had issues with packages that are trying to be delivered to residents and not being able to pull you up in the system and they leave your package in the room not logged into a locker.

You must have your full name as shown on the lease along with your apartment address and unit number.

Please do not combine names onto one account just to avoid adding a card to two different accounts. Each package comes to each individual resident, this is why every person gets their own account in Luxer One as your name and emails are different and each package comes to you individually.

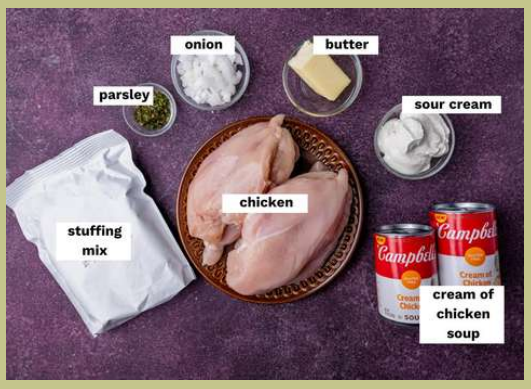

If you have any questions, please feel free to stop by the office and we will be happy to explain or show you in the system how this is holding up your deliveries.

Crockpot Chicken and Stuffing

Creamy crockpot chicken and stuffing that tastes just like Thanksgiving.

No extra liquid needed, done in 3 hours on high. Family-tested, 7 simple ingredients.

Ingredients

- 4 boneless skinless chicken breasts 2 ½ pounds
- 2 cans cream of chicken soup 10.5 ounces each
- ½ cup sour cream 122 grams
- ¼ cup diced white onion
- 1 tablespoon dried parsley flakes
- 1 box chicken stuffing mix 6 ounces
- ¼ cup salted butter
- Fresh parsley for garnishing

Instructions

Place the chicken breasts in a 6 quart slow cooker liner. 4 boneless skinless chicken breasts

Pour the condensed cream of chicken soup over the chicken breasts. Add the sour cream and use a rubber spatula to gently swirl the soup and sour cream together. 2 cans cream of chicken soup, ½ cup sour cream

Sprinkle the diced onion and dried parsley over the top. ¼ cup diced white onion, 1 tablespoon dried parsley flakes

In a small bowl, toss together the dry stuffing mix and melted butter. Sprinkle evenly over the top. 1 box chicken stuffing mix, ¼ cup salted butter

Cover the slow cooker and cook on low for 6-7 hours or on high for 3-4 hours, until the chicken reaches an internal temperature of 165°F.

If desired, uncover the last 45 minutes of cooking so that the stuffing firms up a little. It won't be a "crispy" stuffing topping, but can help the texture. This isn't necessary though and tastes just as good without.

Season with salt, pepper and fresh parsley, then serve with mashed potatoes and a vegetable. Store leftovers in an airtight container in the fridge for up to 3 days.
