- **NEW Farmingdale Resident Update Form**
Have a new email address, phone number, or recently welcomed a new baby? Farmingdale requires residents to complete an update form in the office. If needed, we're happy to send it via email. Keeping your information current helps us maintain accurate records! Please contact the leasing office for more details.

• Freshen Up Your Ceiling Fan for a Cooler, Cleaner Spring

Test and clean your ceiling fans! Over the winter, dust builds up on the blades, which can spread allergens when you turn them on. Wipe them down and set the fan to spin counterclockwise to push cool air down and keep your apartment comfortable as temperatures rise. 🌿🌬️

Don't Wait: Please Submit Maintenance Requests Right Away!

If you experience a maintenance issue, please submit a request through the portal as soon as possible. Delaying the request can lead to the problem worsening over time. We've had several after-hours calls from residents who mentioned that the issue had been ongoing for several days
