

FARMINGDALE

JUNE NEWSLETTER

HELLO SUNSHINE & COMMUNITY REMINDERS!

Summer is finally here, and we're blooming with excitement. The days are warmer, and the skies are brighter. It's the perfect time to dust off the winter blues and step into a season of sunshine.

A Few Quick Community Reminders

Is your lease renewal starting soon? If so, please remember to provide us with an updated copy of your renter's insurance. Be sure to list Farmingdale as an interested party on the policy.

Also, if you're enrolled in autopay through the resident portal, double-check that your payment amount and start date are updated to reflect your new lease terms.

Thank You,

Farmingdale Staff
